

MAXITIA PROJECT INC

NEWS BULLETIN

January 3, 2025

Maxitia Project Inc. is proud to announce that it has partnered with the Hope and Esperanza Health Center in Newark, NJ, to develop and provide a Diabetes Community Health Education Program.

The sessions will be held every Wednesday from 4 PM to 6 PM at Hope and Esperanza. The program is free of charge to the community. The goal of the program is to educate the local Newark community and beyond on the importance of Diabetes diagnosis and management. With proper management, people can live long, healthy lives with Diabetes.

The sessions are bilingual, English and Spanish. The Diabetes Education program was created by a health professional with many years of experience in education and clinical medicine.

Come and join us, it is free to all. If you are a diabetic or have friends or family with Diabetes, come and participate in this dynamic and interactive Diabetes Educational program.

Maxitia Project Inc. is a non-profit 501C3 dedicated to improving the health and wellness of all communities
